

Giving Back

The Fondren Express gives back by giving to non-profit organizations

Each quarter (four times a year) the Fondren Express Trolley gives back to the communities of metro Jackson through our Community Development Program. With help from our clients during the selection process, we provide non-profit organizations with an \$1800, Bronze level marketing and promotional package.

Benefits to these organizations include:

Creating top of mind awareness

Promoting special events

Encouraging volunteerism

Fund raising

Some of the non-profit organizations we provide marketing and promotional services to include:

Boy's and Girl's Clubs

Jackson Zoo

Mississippi Opera

Mississippi Symphony Orchestra

Ronald McDonald House

Let's discuss how we can benefit your favorite charity together!

A list of the services provided is on the rate card under Bronze Package.

Any and all production activities and costs associated with signage, video and printed materials aboard the Fondren Express are the responsibility of the non-profit organization.
